# An introduction to Pagabo

# Reasons to choose Pagabo

We're a different kind of Framework provider. With over 100 years combined experience in procurement, we understand your challenges and work to deliver the most value possible from your projects.

1.

**We deliver:** We won't let you down when it comes to delivering the number of bids your project needs. We work closely with the suppliers to make sure it happens.

2.

**Your contract, your way:** Procurement consultancy support via Pagabo's MCIPS qualified team, taking you from concept to completion of your project or purchasing.

# Other key benefits of using Pagabo:

## Simplicity

We take the complication out of procurement, so all our Frameworks are free to access and easy to use.

## Support

We provide support and advice throughout your project, from feasibility to handover through to completion.

## Transparency

We don't hide costs. Our fees are fully transparent and agreed as a percentage.

## Flexibility

Whether it's a Direct Award or Further Competition, our Frameworks support a range of procurement processes.

## Stability

We monitor the financial stability of our contractors to ensure they continue to be a safe pair of hands for your project.

## Value for money

Each of our suppliers has met rigorous selection criteria around quality of work and competitive pricing.

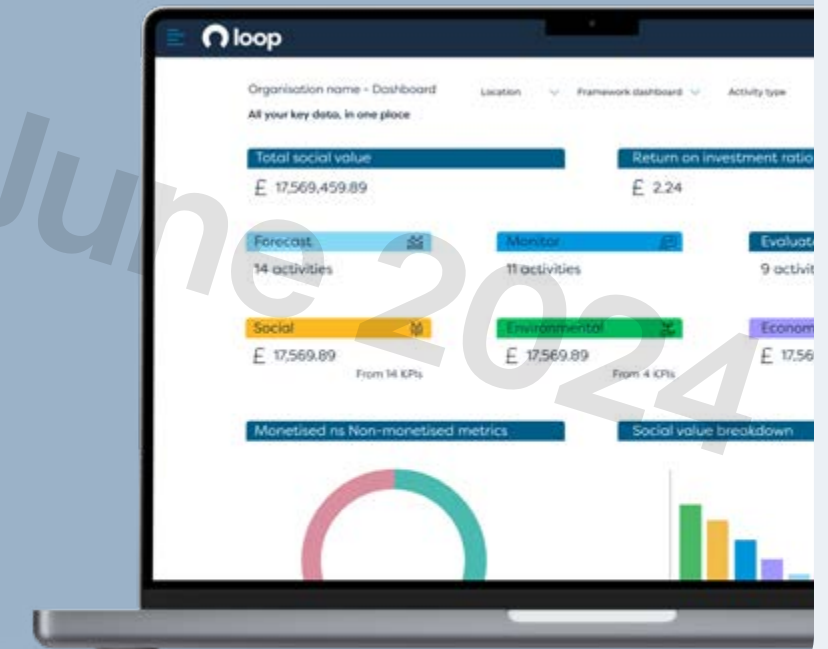

# Delivering real social value with Loop

Driving real, meaningful social value and social impact is at the heart of what we do at Pagabo. Through our unique Social Value Calculator, we are able to calculate your social, economic and environmental impact and the financial value, in real monetary terms, of that impact.

Pagabo adds value through our frameworks by supporting social value at the feasibility, business case development, planning, procurement, delivery and maintenance stages of your investments.

And, as part of our ongoing social value commitment, we have made Loop software FREE to access on all Pagabo procured projects. Providing you with all the information and tools you need to report on the social value impact of your project.

To find out more about FREE access to Loop call us on 01482 975883

# Framework introduction

# Academy Services Framework

This framework is for Academy Services providers who undertake the services on site themselves.

The framework covers a range of back-office requirements, specifically chosen to assist Academy's within England. The framework covers requirements such as audit (both internal and external), legal services, HR and payroll.

Suppliers have been selected on their ability to provide the relevant services. Where relevant, the Academy Services handbook has been used to provide specifications of works and ensure client requirements can be met.

The supplier for Academy Services Framework can be awarded by direct award or further competition.
