

PAGABO®

Keeping LGR in check

Are you and your
authority on top of key
factors for success?
How prepared are you
really?

Navigating LGR

Supporting growth **through change**

Identify and protect critical statutory services

Create a transition risk register

Maintain business-as-usual delivery plans

Establish clear governance and decision-making routes

Develop a workforce resilience plan

Prioritise resources against highest-impact areas

Strengthen collaboration with partner organisations

Review procurement and supplier arrangements

Maintain communication with staff, partners and communities

Keep local priorities and social value commitments active

To keep your capital projects on track – Get in touch today
for a discussion with your Pagabo regional team.
