Community Impact Awards

A celebration bringing together partners from the public sector, contactors, developers and consultants.

The Community Impact Awards isn't just another date in the calendar, it's where projects that positively impact communities take centre stage. An awards should be more than just about celebrating great projects, we should celebrate the projects that demonstrate how great planning, procurement, and delivery combine to make a lasting difference to communities across the UK.

Our venue this year has community at the heart. The Victoria Warehouse in Manchester, built in 1925–1936 by the Liverpool Warehousing Company, is a key piece of industrial heritage that evolved from a cotton and confectionery storage facility into a major cultural venue. It embodies Trafford Park's industrial past, surviving a severe 1980 fire and being transformed into an events hub starting in 2005.

All proceeds from the event will be donated to the Pagabo Foundation which helps support and signpost better mental health awareness.

Location: Victoria Warehouse, Trafford Wharf Road, Trafford Park, Manchester, M17 1AB

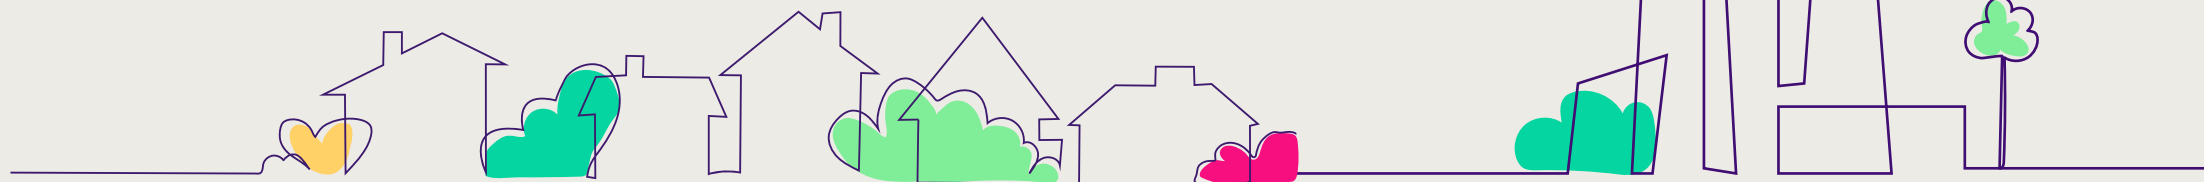

Date: 19th November 2026

Time: 5–11pm

Dress Code: Smart Casual

Category Sponsor £500 per award

The full category list can be viewed on the next page. Please bear in mind that if you sponsor an awards category, you will not be able to submit a nomination to win the award. Please email awards@pagabo.co.uk to secure your sponsorship.

What will you get for sponsoring?

Pre event:

- Logo and company mention present on all specific award related social media posts
- Company name referenced as the sponsor in any press and website related articles

At the event:

- Presentation of your allocated category at the awards
- Logo in the presentation deck
- Acknowledgement of your company as a category sponsor at the awards

After the event:

- Acknowledgement of your companies sponsorship in post award materials including social media and articles
- Logo to be displayed on social media in the winners post
